GUARANTEED CHECKS

Due at Registration: A Guaranteed Check in the amount of $450 ($75 per session) made payable to SEA. This should be a separate check for Meet Worker Obligations ONLY.

We really need you to make these meets work, not your money. Remember hosting meets keeps our registration fees low.

The **policy** on how we handle **Guaranteed Checks** is as follows:

- Guaranteed checks will be cashed on the 1st default of your worker obligations and the amount owed will be paid to SEA for that worker spot.
- The remaining amount will be held in an account for future worker obligations. When the remaining worker obligations are fulfilled, then a refund check will be issued to the said family. If the check is met by insufficient funds, swimmers will not be allowed to swim until the check is made good and all bank fees are covered by the said family.
- If you know ahead of time you are unable to meet your worker obligations required for a meet, please contact the meet director ASAP. The more notice s/he has the better s/he can plan ahead to make the meets successful.

If you sign up and fail to show up without notifying the meet director or notify the meet director within **72 hours of the start of the meet** you will be charge **$100** for this missed worker obligation. Short notification or no notification gives the meet director little if any time or options to fill those worker spots.
