GUARANTEED CHECKS

- If you know ahead of time you are unable to meet your worker obligations required for a meet, please contact the meet director ASAP. The more notice s/he has the better s/he can plan ahead to make the meets successful.

Short notification or no notification gives the meet director little if any time or options to fill those worker spots. **New for 2019-2020 Fall & Winter, Guarantee Checks will not be collected at the time of registration (instead, families will have their escrow accounts charged \$75 per worked session not worked). Families with over \$200 owed in their escrow accounts must make their escrow accounts current or their swimmers will not be able to attend practice/meets.**
